Dear Friend:

In the past our organization has employed many creative ways to raise funds to help build our eight million dollars temple complex. Most of the funds were raised via donations. The balance was raised in form of loans from the bank and the well wishers.

In last four years we have made substantial progress in reducing our debt. Please refer to attached report and the proposed plan. Now the time has come to reduce our interest expense so that we can be debt free even sooner.

With this objective in mind, the Board of Trustees of VPSS has unanimously approved a Win-Win-Plan to reduce our interest expense. The details are in the attached plan.

We urge all well wishers of VPSS (Members or not – Gujaratis, non Gujaratis, Indians, non-Indians, whites, blacks, Hispanics, orientals and others !!!) to consider loaning \$5,000 per family for a term of two years or more as desired by the lender.

VPSS will:

Pay interest at Wells Fargo **one-year CD rate** effective on January 2nd of each year **plus 1%**.

Pay the interest annually in January of each year until \$5,000 loan is paid off.

Repay the loan within two weeks upon demand – no questions asked.

Please note that VPSS always maintains reasonable bank balance.

Additionally, any **two of the trustees** (as preferred by the lender) **will personally guarantee the loan repayment.**

We urge all the well wishers to come forward and loan \$5,000 each to VPSS. Also ask all your contacts to do the same. If we have 275 families willing to loan \$5,000 each, we will pay off all current high interest bearing loans and that in turn will help reduce our interest expense by over \$25,000 per year! Will it not be great?

You get higher interest – you get your money back on demand - your loan is personally guaranteed by two high net worth, long serving trustees of VPSS! And, VPSS reduces its annual interest expense!!! **This is truly a win-win proposal and worthy of your consideration.** Please act. Act soon. And act with faith, trust and confidence. Do a good deed for Texas Nathdwara. Sooner you act sooner we will start reducing our annual interest burden. Lord Shri Nathjee will bless you.
