Dear Friends:

Jay Shri Krishna!

LET US MARCH FORWARD - LET US MARCH TOGETHER!

Let us collectively give two new improvements to our own temple.

In last few years we have made several significant property improvements with your generous support. The following is a list of improvements along with their approximate investment amounts raised through contributions from supporters and well-wishers like you.

Thirty-Eight Courtyard and Parikrama Path Benches	\$44,000
Wood and Formica Laminated Cabinets	\$45,000
Two New Shoe Rooms	\$27,000
Stage Lighting and Audio Improvements	\$30,000
Playground	\$60,000
Property & Playground Fencing	\$90,000
Parking Lot Lighting	\$90,000
Digital Signage	\$ 5,000

Many of you have made positive comments about the quality and the eye appeal of these improvements and the vital needs they fulfilled. VPSS management wishes to assure you that the specifications for above items were well thought out, conscious efforts were made to purchase only high quality durable items from reputable manufacturers, and the lowest possible quotes were secured. In short we tried to get the biggest bang for the dollars we spent – your hard earned dollars which you generously donated.

Now the time has come to look at the future and to complete few of the remaining improvements, namely Inner Dome and Courtyard Fountain. The budget for these two proposed improvements is \$150,000. With these funds following improvements will be made and paid for:

INNER DOME IMPROVEMENTS

- Purchase and installation of new shallow fiber glass dome to act as ceiling
- Paint exterior of existing roof top dome (Peach color)
- Paint interior of proposed new ceiling dome in sky like fashion
- Cove design and construction for neon lighting
- Electrical and lighting to light Raas Leela paintings to be mounted in circular fashion
- Original art work (21 paintings) we have obtained from Rajasthan, India
- Installation of these paintings
- Paint 6” circular ring and vertical surfaces below the ring in metallic gold color
- Finish painting of teal color ceiling
- Electrical power supply for LED lights
- Installation of LED lights in inner dome in star constellation pattern

COURTYARD FOUNTAIN

Construct two complete approximately 10' X 10' rooms adjoining courtyard restrooms
Purchase and install matching metal doors, hardware and stainless steel signs
Dig out central square area and to do necessary plumbing and electrical hook ups
Pour 4.5" thick concrete floor slab in Central Square and form a trench for fountain
Purchase and install Brass Trench Drains
Purchase and install fountain lighting
Purchase and install fountain nozzles
Purchase and install controller and other fountain operating equipment
Purchase and install computer equipment for fountain pattern control
Install granite flooring on concrete slab

As any one with experience in such matters can see, these are very complicated tasks to undertake and qualified professionals will need to be involved.

We hope you will agree that these are significant steps forward to make Texas Nathdwara complete and beautiful. Please note that we will make all efforts to complete these improvements soon after the needed funds are raised.

The contributions have started flowing in (Please see the attached spreadsheet). Please pledge the amount you wish to contribute (by phone, fax or as reply to this e-mail) and if you wish to take advantage of tax write off in 2010 give or mail the check for your contribution to temple address as soon as possible.

If you have any questions, please do not hesitate to contact us. You may contact the undersigned or any of our Trustees.

Thank you very much for your past support and we look forward to receive your support this time around. We consider you among those who can appreciate the efforts made and results achieved so far.

Jay Shree Krishna.

P.S. We will appreciate your prompt response which will enable us to proceed. All you need to do is to send us your completed pledge form. We are not in a hurry for your funds. You can make one lump sum payment at a future date convenient to you or you may choose to make payments in multiple convenient installments. You may also charge on your credit card.

If you know others who may also be supportive, please feel free to forward this information to them. We would love to hear from them.

Your participation in this drive and your support will be greatly appreciated.
